She's carrying a gun? Really. We hadn't noticed...

MY CHEEKS WITH MARILYN!
Rosie says: "Here, I'm trying to copy Marilyn Monroe - you can see some pictures of her on the floor - but I'm making the pose much ruder."

Rosie says: "Holly and India messing around behind the scenes, playing with the guns. We probably got told off for that after this picture."

Iron Man 3 first look!

The covers come off the new
Marvel flick. We kick the tyres

➔ **TO DATE,** *Avengers Assemble* has made \$1.5bn. So Marvel have a skyscraper-sized pile of cash to spend on their next flick, *Iron Man 3*. Judging by the trailer, it's all up on screen as Tony Stark faces off against super-powered terrorist The Mandarin. It all kicks off on 3 May, 2013. Paint us puppy dog excited.

STARK GETS EXTREMIST

A big plot point is the introduction of a nanotech virus called "Extremis". This allows Stark to telepathically interface with his suit and control it remotely with his mind.

NEW DIRECTOR

One reason this will be terrific is that it's written and directed by Shane Black, who wrote the *Lethal Weapon* films, *The Long Kiss Goodnight* and *The Last Boy Scout*.

AIR FORCE ONE

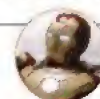

In one major action set piece, the US President's jet Air Force One is the victim of a terrorist attack that leaves White House staffers in serious bother.

NEW SUIT

The latest suit is the "Iron Man Fusion Armour". It has extra thrusters on the back, and on the legs, arms and feet, plus tri-barrelled wrist lasers and four missile launchers on the shoulders.

Meet the Iron Men!

TONY STARK
(ROBERT DOWNEY JR)

Poor Tony's still having nightmares about the "New York incident" – the events of *Avengers Assemble* – but even more hurt is on the way for the snarky billionaire.

WAR MACHINE
(DON CHEADLE)

Tony's air force chum James Rhodes also dons armour as War Machine, in fetching stars-and-stripes livery. In the comics he turns against Stark, so, you know...

DR ALDRICH KILLIAN
(GUY PEARCE)

He's an "extreme geneticist" who creates "Extremis", a nanotech virus used to create supersoldiers by rebooting the brain to repair the body exponentially.

THE MANDARIN
(BEN KINGSLEY)

Evil chap who's mastered alien technology to acquire his powers. He's after Extremis to "reshape" the human race. For some reason, he sounds like a pirate. Arrrrgh!

DOWN AND OUT

All the new tech in the world isn't enough to stop Iron Man taking a big old kicking at one point, though. Looks like Tony is going to have to rebuild this bad boy from scratch.

MAN VS HELICOPTERS

Ruffians fly to Tony Stark's house and duff it up with rockets and machine guns, causing it to crash into the Malibu surf with both Tony Stark and his squeeze, Pepper Potts, inside.

New Jimmy Carr jokes!

Delicious Lexus concept

500bhp hybrid is a curvy superstar!

- The eventual existence of this lip-licking Lexus concept depends entirely on you. Toyota (who own Lexus) say they are seriously considering building the LF-LC concept – their most powerful ever hybrid car – if there's enough public interest.
- Yes, it's a hybrid, but don't let that ozone-friendly swearword wither your trouser tent. The LF-LC promises 500bhp, which will be divided between an electric motor driving the front wheels, and petrol power to the rear.
- There is no official word on what exact motor(s) the LF-LC concept is packing, but *Nuts* would bet it will borrow the

same guts as their fat cat LS600h hybrid saloon. If true, that means a 4,969cc V8 under the bonnet driving the rear wheels, together with a little 'leccy motor turning the front tyres. So 0-62mph will be around 4.5 seconds to a needle pushing 180mph. Expect a similar price tag, £180k.

- The electric part is called Advanced Lexus Hybrid Drive, but that's not important. What is important is that the car will have four-wheel drive and tons of grip.
- Using all of the in-house carbon fibre wizardry developed for the 552bhp LFA supercar, the LF-LC coupé will be completely handmade from trick

alloys, CFRP (carbon fibre reinforced plastic) and the sacred weave itself.

- These special methods of moulding also mean the Lex can wear body panels shaped in a way that would be impossible with conventional materials like steel. Like that raked front end, with amazing sculpted gills and a grille that looks like a lot like the Birmingham Bullring building.
- You have to hand it to Lexus when it comes to subtle jewel-like detailing. This thing makes a Transformer look like a Tesco's trolley. If this is the future of Lexus, then we're all eyes and ears. Bring it on.

A quick word with David Mitchell

The *Peep Show* star on love, drugs and Savile!

Hi David. You've been on every panel show there is apart from *Never Mind The*

Buzzcocks. How come?

I've been asked on *Never Mind The Buzzcocks* but only because they thought it would be funny because I don't know anything about pop music. It would be like getting someone really mal-coordinated on a sports show. It'd only be funny to see what an idiot I am.

You've just written your autobiography, *Back Story*. Why bother?

It's pleasing writing sentences rather than remarks people say in sketches. I thought it would be a good place to discuss all the things that annoy and irritate me.

You are a fairly opinionated chap. How come?

Like most comedians, I have this need to make people laugh. It's a power thing. The only way to write comedy is to write things that amuse yourself, and what amuses me is looking at what I see as illogical or inconsistent or stupid or puzzling.

OK! Well, let's think of something in the news and you can give a trademark David Mitchell opinion. Jimmy Savile?

The thing about Jimmy Savile that upsets me – and I accept other people have more reason to be upset – is that for years everyone was going on about this weird, and I thought, fairly untalented man who was constantly paraded on our TVs being odd. I thought, "Why is he a national treasure? He seems grim." We all had to go along with it, then he died, "Oh, let's all pretend we give a shit about that," and suddenly, "Oh, he is a c**t after all."

What's the worst thing you've done in an interview?

You know those interviews that are questionnaires? One question is always, "What's your guilty pleasure?" I was tired of it so I put, "I do like to f**k a prostitute."

People think you're pretty posh. Are you?

I had a nice, provincial upbringing. But people are defined as posh or not posh and I always get lumped in with Prince William. I don't want him thinking, "That David Mitchell, he reckons he's all posh. I know posh and he's not posh."

Is it true you've never been offered any drugs? Isn't that quite admirable?

It's not admirable. To have been offered lots and gone, "No thanks, I don't think that's a good idea," would have been admirable. Never

to have been offered... there's no good spin. I look like a person who would definitely refuse drugs. It's like looking so much like a vegetarian, you're never offered any meat.

What were your first impressions of comedy chum Robert Webb?

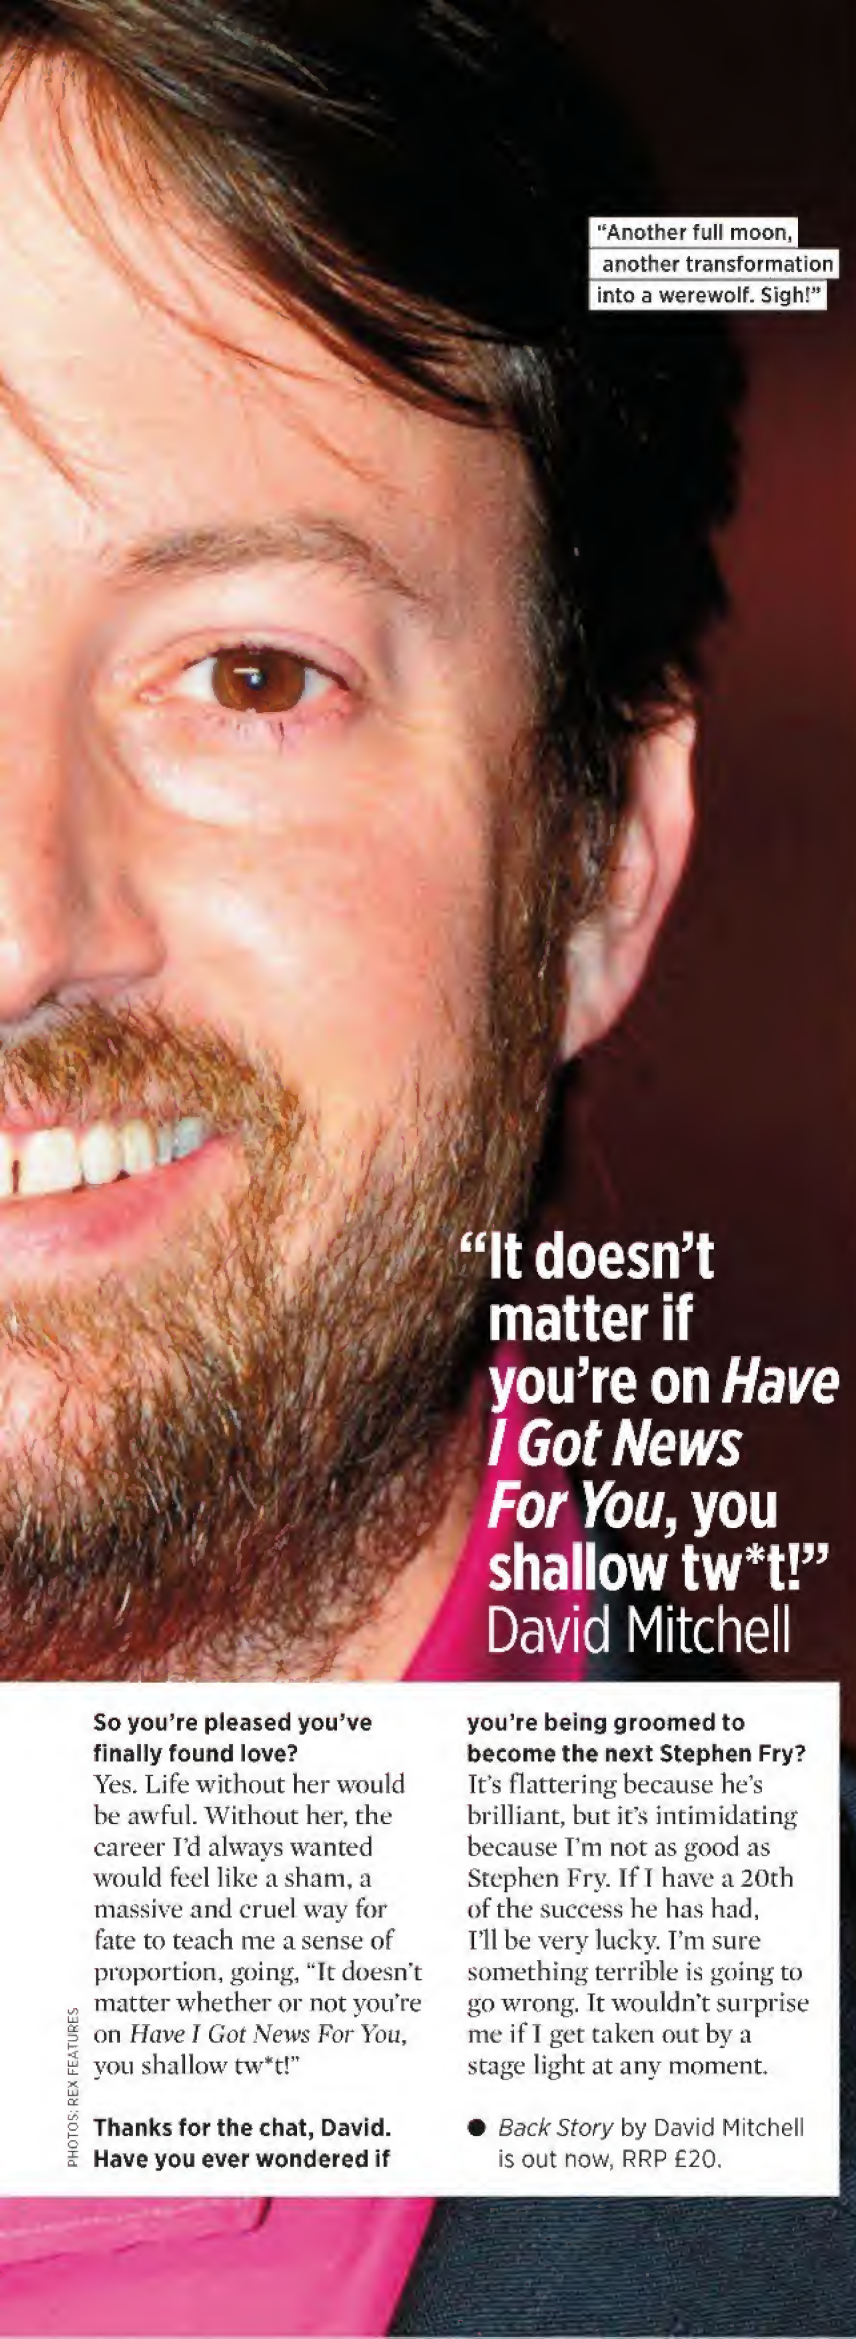

He had an earring and a mullet hairdo, which I was scandalised by but at the same time thought, "Yes. I'm meeting someone gritty from the streets." He's from rural Lincolnshire.

You're 38 but until recently you hadn't had a public girlfriend. [David is engaged to writer Victoria Coren.] Did you worry people thought you were, er, gay? When I was 13, I worried, "Will I turn out to be gay and have to grow a moustache?" Imagine my relief when I discovered my urges were overwhelmingly heterosexual. It's annoying that people thought I was living a self-destructive lie, but going, "I'm not gay, I'm not gay!" is a weird way to behave.

PEEPING DAVID!

Peep Show's eighth series starts in November. It's now Channel 4's longest-running sitcom.

"Another full moon,
another transformation
into a werewolf. Sigh!"

**"It doesn't
matter if
you're on *Have
I Got News
For You*, you
shallow tw*t!"**
David Mitchell

**So you're pleased you've
finally found love?**

Yes. Life without her would be awful. Without her, the career I'd always wanted would feel like a sham, a massive and cruel way for fate to teach me a sense of proportion, going, "It doesn't matter whether or not you're on *Have I Got News For You*, you shallow tw*t!"

**Thanks for the chat, David.
Have you ever wondered if**

**you're being groomed to
become the next Stephen Fry?**

It's flattering because he's brilliant, but it's intimidating because I'm not as good as Stephen Fry. If I have a 20th of the success he has had, I'll be very lucky. I'm sure something terrible is going to go wrong. It wouldn't surprise me if I get taken out by a stage light at any moment.

● *Back Story* by David Mitchell
is out now, RRP £20.

Face/off!

Unlucky limb gets lacerated after actor bloke's on-stage shocker!

➔ **HOPEFULLY,** NOBODY told *Nuts*-reading actor Adam Salter to "break a leg" before this horror crush happened, or they'd be feeling pretty bad right now. That's because the forlorn thespian was performing in a musical version of *The Lord Of The*

Rings when his leg was crushed by a hydraulically lifted stage.

"There was a full audience watching," explains Adam, 28. "Suddenly, my leg became trapped between two sections of the stage. The pain was so indescribable that my body just shut down. My leg looked like something you'd find in

a butcher's shop! The doctors debated removing it, but somehow managed to put me back together."

After six months hobbling around on crutches, Adam returned to the stage to be reunited with Frodo and the gang. Well, that ring won't make its own way to Mordor!

LETTER OF THE WEEK!

69's an odd number!

I've tried a 69 with a couple of girls, but I find it really awkward. Am I doing it wrong?

ANDREW Stafford

Women love firm and fluid movements. Awkward rollovers in the dark can kill the mood. Suggest doing it with the light on. The heaviest should go on the bottom. Never plunge straight for her vagina - kiss thighs, hold buttocks, and give a circulating touch to the anus. Tell her I said, "No problem!"

What toy shall we play with?

I'm looking to buy my missus a cheeky sex toy for her birthday. What can I buy that won't give her a fright?

ROSS via email

Should I do the dirty?

The other week on a night out, I ended up having a really passionate snog with my housemate's girlfriend while we were both drunk. I really want to follow it up and I'm pretty sure she feels the same way, judging by the picture message she sent me later. Is it worth the betrayal?

PAULIE via email

To begin with, she kissed you when she was intoxicated. And second, are you sure the sexy picture was for you? Shagging her with this amount of pressure will be hard. Are you sure you're up to it? If you do go through with it, think realistically about all the drama it will cause.

A small bullet vibrator is nice and playful. Start by lightly running it across her lips and nose and down her body. Don't start anything sexually until

she's soaking wet. Then put the vibrator down and insert yourself to do the real work. As time progresses, the sex toys can get bigger or more exotic.

More foreplay!

How can I get my other half to experiment more with foreplay? Obviously sex is great but I want to try other things. She just never seems that up for it.

MAX Warwick

Devote the week to her, as the more you give, the more you'll receive. Ban sex in the bedroom and experiment in every other room. The most important thing here is trust - she must feel comfortable and relaxed around you. Never force her to do anything she doesn't want to do and see what happens when her imagination takes over. She'll deliver the goods when she's ready.

- If you've got something to ask Danni, just email her at thelesbian@nutsmagazine.co.uk or write to her at the usual *Nuts* address on p66.

A MAN rushes his sick dog to the vet's. The vet checks the dog but says that it has died.

"I don't believe you," says the man. "I demand a second opinion." The vet goes into the back room and comes out with a cat. The cat sniffs the body and meows. The vet says, "I'm sorry, but the cat thinks that your dog is dead, too." The man is still unwilling to accept that his dog is dead, so the vet brings in a black Labrador. The lab sniffs the body and barks.

The vet says, "I'm sorry, but the labrador thinks your dog is dead, too. Now that will be £650." "What! £650 to tell me my dog is dead?" exclaims the man. "Well," the vet replies, "It was £50 for my initial diagnosis and another £600 is for the cat scan and lab tests."

We get first dibs on
the best shots from
her sexiest calendar!

JESSICA-JANE CLEMENT

Hi Jessica-Jane!
How are you coping with the nights getting darker?

Hello! Autumn is always great because it's my favourite time of the year. I love it when it gets dark earlier and everyone goes home for a snuggle on the sofa and a lovely glass of red wine.

So you're more of a cosy jumper than a summer bikini girl?

I've never fully enjoyed the summer! I'm quite a sickly person and the heat makes me a bit nauseous. It's been hilarious seeing so many girls with their backsides hanging out of those extra tiny hot pants everyone was wearing this summer. Apart from Kim Kardashian. She has the best bum in the world – I could look at bikini shots of her all day!

Tell us all about your amazing new calendar...

It's Victoria's Secret meets Agent Provocateur – it's sexy, sensual and has lots of cleavage. I'm a huge fan of sexy underwear and I wanted to show a favourite set every month, I think it'll give guys inspiration on what to choose for their lovely ladies.

Which is the sexiest month, in your opinion?

February, as I'm wearing my favourite leopard print knickers with a pair of lovely sheer stockings! It's the month of sex and romance, so I wanted to make it the sexiest. I also love the cover. It's very naughty – all boobs and hips!

Do you decide how it's all going to look?

Yes, I put a mood board together and choose the theme. Then I pick my team and we all combine ideas. I always have the same girls, so it's a very giggly, girly day.

In general, which is the most awesome month for JJC?

I love December as it's Christmas! I literally start ►

A full-page photograph of Jessica-Jane Clement. She is sitting on an ornate, gold-colored chair with a patterned cushion. She is wearing a white lace thong and a gold chain necklace with long fringe. counting down the days from 26 December until Santa comes again!

What's been the most kick-ass thing about your 2012 so far?

I filmed a movie in Derby called *Devil's Tower* where I have a few kick-ass scenes. The stunt co-ordinator told me after the shoot that he was worried about me doing stunts because I'm so tiny and girly, but I proved everyone wrong.

Who was your hero of the year?

Christian Grey from *Fifty Shades Of Grey*. Whenever I felt like I wanted to shut out the world, he was there waiting for me by the side of my bed. I'd love to play Anastasia in the movie, but I don't think I'm innocent enough!

Can you invent us a new public holiday for 2013?

Hmm, how about the month of Beduary? You can choose when it comes and you just stay in bed the entire month!

Sounds brill! What are you most looking forwards to next year?

I have a new show called *The Bodysocking Show* coming out on E4 soon. It's a show celebrating the wacky and wonderful world of body-modification, strange fetishes and incredible Guinness World Record holders. My favourite is a Russian lady with the strongest vagina in the world!

Blimey! *I'm A Celebrity...* is back soon. Who'd you like to see in it?

I'd love to see one of the Kardashians go in! I'm sure there will be a few beauties in there, and a hunk or two. I'd like to see a romance as we didn't get one when I was in!

Thanks for the chat, Jessica-Jane. Finally, what's the one thing you want to achieve by the end of the year?

I want a bigger bottom! I used to think my bum was big, but when I came out of the jungle, I realised I had no bum at all. Maybe I should get a little injected booty! **X**

WILEY Vs the Nuts Question Bucket!

We ask the godfather of grime to take on our bucket-sized grilling!

➔ **THE RULES** are simple. We fill our bucket with ridiculous questions, then a famous type picks them out at random and has to answer them!

Wiley, do you live in a grimy house?

Definitely not. Even council houses are nice now. They're not grotty. We didn't name our style of music "grime", you know. Someone in 1Xtra did. It's just grimy music.

You're named after Wiley-Kat from *Thundercats*. Aren't you a bit old to be watching cartoons?

No. Ha-ha! My favourite episode is where Lion-O first gets the sword.

What's the maddest party you've been to?

I've been to one of those mad raves where people just break into an old

warehouse and have a party for a few days. It was in Manchester. It was crazy. I didn't stay long!

You have roots in Trinidad. It's the World Cup final, England vs Trinidad. Who are you rooting for?

England, because I was born here and I've grown up watching all the footballers. Even my nan would say England and she's from Trinidad!

Who'd win in the rap World Cup?

Imagine that! Dizzee [Rascal] and Tinchy [Stryder] are from Ghana so they support Ghana. And Skepta and JME are from Nigeria. I don't want to say, bro. That's messy.

What annoys you?

Not much any more. I'm getting to the happier days of my life, to be honest.

You have a song called *Never Be Your Woman*. Would you make a good woman, Wiley?

Definitely not, mate. Emeli Sandé sent me a song called *Never Be Your Woman* so I had to come on and act like the prick whose woman she wouldn't want to be.

You have a song called *Pies*. Who would you most like to pie in the face?

I'm not in a bad mood today. Nobody today would get a pie from me. Tomorrow it will be someone. At ten this morning I might have had someone in mind, but not right now.

You have another song called *Cash In My Pocket*. How much cash do you have in your pocket now?

Maybe £400 or something stupid like that because I have to pay someone some money.

Last time we spoke, you'd fallen out with N-Dubz. Are you chums again now?

I didn't fall out with N-Dubz. I'd done a song for them and when it was their turn to do one for me, they just didn't return

the favour. Do you know the truth? I just wasn't in their bracket. I would have had to be getting number ones with them at the time. I understand that now.

Tulisa features on your new album. Would you?

Would I what? Have her on her on my record? Oh, I see! Maybe not. Not in a bad way. Maybe I'm just looking at different women at the moment. I'm more into Mediterranean girls.

What's the best thing you've bought since becoming famous?

A G-Shock Casio watch.

Where were you when the BBC reported you'd died?

It wasn't the BBC. I'm not sure who made up the rumour. I laughed because I thought, "I'm flipping alive!" I was just minding my own business walking down the street eating a jam doughnut when I heard that I was dead!

● Wiley's new single *Can You Hear Me (Ayayaya)* featuring Skepta, JME and Ms D is out now.

"Penny for the Guy?"

"I don't know the answer to this one. Can I copy off you?"

"I was walking down the street when I heard I was dead!"

"Tell it to the bucket"

LUCY PINDER

Hello Lucy! How have you enjoyed today's shoot?

Hi! Well, the shoot has been very naked.

I haven't worn much at all. I've had lots of strategically placed lights shining out of various orifices. The sun hasn't quite been shining out of my behind – but almost!

Do you ever undertake everyday tasks naked?

I basically spend my life naked at work then I'm naked the rest of the time at home waiting for my fake tan to dry. It was a problem in my newest house because I was constantly forgetting where all the windows were positioned! The neighbours kept getting a flash. Hopefully I was doing my bit for house prices in the area.

When was the last time you were caught out in the buff?

Oh, it happens all the time. On shoots it's terrible. We might get a pizza delivered and the delivery boy will accidentally get an eyeful. Also, we did a shoot in this ▶

house recently and a guy was in the garden with the mower. He got a full-frontal flash!

Blimey! We must start gardening... Have you ever been skinny-dipping?

I grew up on the south coast, so obviously I have. I imagine anyone who grew up near the sea – or even a lake – has tried skinny-dipping at some point. It's great fun and a very sexy thing to do.

Which *Nuts* babes do you enjoy seeing naked?

Oh, for heaven's sake! How can I choose? I did a shoot with Holly Peers, Kelly Hall and Stacey Poole recently. Triple prizes for nakedness on that shoot! I felt like I was in every man's dream!

Er, yes, we've all had that dream! What was the last really rude thing you saw...

Erm... no comment! I'm well-behaved really. I doubt I can out-filth any *Nuts* readers. Or even you lot!

What's sexier, being naked or wearing really racy underwear?

I think being naked is really sexy, but I know guys like something to peel off. Chaps spend so long trying to get a girl naked that they want to make the most of it when it finally happens – underwear makes that moment last a bit longer for you! It can be a nice tease.

What sort of undies are a winner for you in the bedroom?

Classic, simple styles, usually in black or white. I don't like big frilly knickers or anything with a pattern on. Things like that are just too delicate and sophisticated. Same goes for blokes too – but obviously with boxers, not knickers!

Is it acceptable for a man to keep just his socks on when he's with a lady?

There are far worse things that a guy can do! A bloke can get away with plenty of things as a relationship goes on, but ►

**“I gave
a bloke
mowing his
lawn a full-
frontal flash!”**

they should maybe leave the socks thing until after they've been seeing someone for at least a month.

Can you give us a foolproof bit of seduction advice, please?

I like my man to be a man so I'm not into grand gestures and I hate soppy romantic stuff – no scattering rose petals on the bed for me please. I like it when a guy's going away and he leaves me funny notes around the house. But nothing too slushy! Make it fun and sexy.

How could you cheer us up now the rainy, cold months are here?

I love autumn! I think there's something really sexy about getting wrapped up warm, snuggling by the fire wearing next-to-nothing. It can be really seductive being naked in the cold months.

What's a good look on a bloke this time of year?

Definitely not Ugg boots! I don't care what kind of man you are, Uggs are an absolute disaster on a guy. I love anything that David Beckham wears, so use him as your style icon! Big chunky scarves and a bit of winter stubble. That's sexy.

What films and telly shows are you into these days?

I'm excited about *Made In Chelsea* being back on television, I really love that show. I'm also keen to see *Looper* at some point. Bruce Willis is amazing – I'd love to see him naked!

Lots of *Nuts* girls are obsessed with *The Great British Bake Off*. Are you something of a master baker yourself?

Yes! I love to bake. I do the best banana cake anyone has ever tasted and I'm not giving away the recipe. We should definitely do a baking-themed shoot with the girls getting naked in the kitchen – we could call it "topless and tasty". Sign me up!

Green Zone

CHANNEL 4/HD • 9pm

There are those who have said – wrongly – that this was like a new *Bourne* film. Well, it's got some action in it and it stars Matt Damon, but it's a rather more sober, less punchy affair than *Bourne*, with Damon playing a US Army guy who finds a conspiracy in post-invasion Iraq that implicates many people on the US side.

★★★★

The director's cut of *Fight Club* wasn't all that

Boardwalk Empire

SKY ATLANTIC/HD • 9pm

It's all getting tetchy in the super slick bootlegging drama. Nucky (goggle-eyed genius Steve Buscemi) is being betrayed by Washington bigwigs, and in Atlantic City, Margaret's son is going loopy and Gillian argues with mobster Lucky. Oh, yeah, that'll end well.

★★★★★

Bob was famous for his willy guitar solos

Mobo Awards

BBC THREE • 9.45pm

The Mobos always put on a special show and this year's event from the Echo Arena in Liverpool promises to deliver a familiar mix of live acts, bling and feuds. Already confirmed to perform are Emeli Sandé and Labrinth, along with *Nuts* favourite Wiley. And if you're lucky there might even be an on-stage beef or two.

Liverpool vs Newcastle United

SKY SPORTS 1/HD • 3.30pm

It has been 18 years since Newcastle won a league game at Anfield, which should be a good omen for fans of a Liverpool team in dire need of wins. Newcastle are on form, however, and they may well reckon that the end of that 18 year barren spell is in sight.

★★★★★

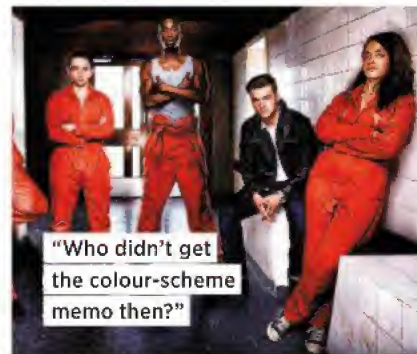

"Hello? Clock shop? All of mine are showing different times!"

Homeland

CHANNEL 4 • 9pm

After last week's episode shoved the plot along with a massive push, Brody now finds himself a prisoner once again. He's on home turf this time, though. SKY1/HD • 8pm

Smallville meets *Batman* with a body count, anyone? This surprisingly gritty new US show about an arrow-slinging vigilante has been bang on target so far, full of pretty women, moody plotting and ballsy action. The 21st-century Robin Hood battles a top assassin named Deadshot tonight. Cue satisfying bullet vs arrow shenanigans.

★★★★

Don't Sit In The Front Row

SKY ATLANTIC/HD • 9pm

Jack Dee and this week's panelists Josh Widdicombe and Phill Jupitus, really make us laugh. Four people from the studio audience compete by throwing topics from their lives at the comedians. The one offering the best material wins the Golden Chair Award.

★★★

Brand X With Russell Brand

SKY ATLANTIC/HD • 9.30pm

Brand's definitely got the Marmite factor – you either love him or hate him. It hasn't stopped him scoring his own US show, though (this is the second series) where he gives his own take on the news. As strange as Brand is, he's still bloody funny.

Man City vs Ajax

ITV1/HD • 7.30pm

Two weeks after the sides met in Amsterdam and Ajax thumped City 3-1, the return fixture comes around. At the bottom of group D, City will be hell-bent on taking three points from a fixture that they cannot afford to draw or lose. Again, Roberto Mancini will be sweating on a result which could deprive him of his job.

★★★★★

Fresh Meat

CHANNEL 4/HD • 10pm

When one of our mates was at uni in Manchester, he came downstairs one morning to find two blokes who didn't live at his house robbing the place. True story! And we're telling you this because something a bit similar happens when poor old Josie leaves her keys in the front door and the house gets robbed. Whoopsie!

Geordie Shore

MTV • 10pm

Just as we were getting over the shock of *The Valleys* (not one to watch with yer nan), the Northern reality jaw-dropper is back with a bang. Well, several bangs, probably. The jovial Geordies are back in Newcastle and Holly Hagan has promised *Nuts* that there'll be even more sex this year. We might just have to Sky+ this one!

SC Braga vs Man United

SKY SPORTS 2/HD • 6pm

After spurning a two-goal lead at Old Trafford, Braga, led by Brazilian striker Alan (were all the good names taken?), will definitely be up for this one. That said, the last thing Rooney and Van Persie want is to feel another one of Sir Alex's hairdryers.

NEW SERIES!

Secret State

CHANNEL 4/HD • 10pm

If you like serious drama with excellent acting, suspicious deaths, buckets of political conspiracy theories and a cracking mystery to boot, this will be right up your street. Gabriel Byrne stars as the Prime Minister's right hand man, who begins to uncover a murky, murky mess behind a major industrial accident.

SKY MOVIES PREMIERE/HD • 10pm

Ignore the flimsy script – Ewan MacGregor's shady CIA-employed "security contractor" does a naughty – and just crack a tinny and enjoy movie debutant and ex-MMA fightist Gina Carano as a hard-as-nails lady Bourne in this globe-trotting spy romp. Jolly good fun. Even acting lump Channing Tatum isn't awful.

Young Apprentice

BBC ONE/HD • 8pm

As ever, the fun in this teen version of the show comes from despising the precious little twerps. This week's challenge is to pitch a cookbook to publishers. Presumably it will be one that involves lots of turkey twizzlers and alphabetti spaghetti.

Paranormal Witness

REALLY • 9pm

Telling stories of ordinary people who've had paranormal experiences, this scared the bejesus out of us! This one's about a woman and her kid, who find out their amazing new home isn't so great after all. Especially when she sees the outline of a skeletal old man.

'I sneaked into his work'

I WORK as a health and safety manager and one day I was visiting a workplace where my fella was on site. He was unaware of my visit and so was surprised when I rang him "in work mode" to say there was a serious breach of health and safety in one of the offices under construction. He takes his work very seriously, so he was over in a shot, only to find me spreadeagled across the desk wearing just stockings and suspenders. Needless to say his pants were round his ankles in no time and he gave me the sex of a lifetime!

'Our naughty pool fun'

ON A recent holiday in Turkey, my boyfriend and I were staying at a fabulous

apartment complex where each suite had a private pool at the back. Late one night, we took a dip in the water. He pulled me onto his lap and we started kissing passionately. He took my hand and placed it in his

shorts. I could feel he was rock hard and ready to go. I slipped my bikini bottoms to one side and let him slide inside me. We saw a few people walking around so we had to be careful not to make too much movement. It was such a turn-on having him inside me in the cool water. He pushed me against the wall of the pool and thrust deep inside me. As I came, I almost squealed in pleasure and had to dive under the water to muffle my noises. We spent a few more nights in the pool having late-night dips!

'She gave me a sexy lesson'

RECENTLY, MY best friend told me she thinks that she's a lesbian. Soon after, we went on a night out where she pulled a girl and went home with her. When I saw her next, I asked for the gossip. She told me she'd starting kissing the girl then slowly moved her hand down from her hair to her breasts to her pussy. I asked her how she did it and she offered to show me. Before I knew it, she had her fingers deep inside me and I was sucking her nipples. We ended up having passionate sex. It's happened three times since but I'm keeping quiet about it!

Nicola via email

'She jumped in the bath'

MY GIRLFRIEND works as an air hostess and had been away for two weeks. I had no idea she was due home so I was shocked when she walked into the bathroom as I was bathing. She tore off her clothes and jumped into the bath. Her hands began exploring my wet body, starting with my nipples. I groaned as she moved further down my body until her fingers were inside me, starting off slowly and gently but getting faster as she nibbled my ear. We were all over each other. She grabbed some handcuffs from her bag and led me to the bed, where she cuffed me to the headboard. She went in between my legs, where she used her tongue to tickle me. I was screaming with pleasure. I can't wait for her next trip!

Nuts' city guide to Amsterdam!

For all-out hijinks hit the lowlands for a weekend in the Netherlands!

➔ **WHETHER ON** a stag or just a mental weekend away, a trip to Amsterdam is a must-do. Head to www.escapes.nuts.co.uk for great deals and expert advice so you don't miss out on any of the good bits. Go on lads, get ye to the land of the dyke. No, not that type! You lot have got a one-track mind!

BEST PLACE TO PARTY

Club Melkweg is where a lot of the locals go clubbing for cheese, hip-hop and techno. Paradiso is for indie-lovers and Bitterzoet is best for a stylish crowd. Many clubs are open till 4am, even on weekdays!

BEST LAUGH

Cycling's the mode of transport most locals use and is an entertaining and cheap way of zooming from place to place. The canal cruises are also fun, especially those that stop off at drinking venues on the way.

BEST GRUB

Amsterdam serves most international food, though if you want to try the local dishes, we suggest bitterballen – a deep-fried meat snack with mustard, and spekdik – a stodgy bacon pancake. Yum!

BEST PLACE TO PULL

Jimmy Woo is where the high-maintenance, cocktail-slurping ladies go, though for a less fussy dress code (and €1 beers) Dansen Bij Jansen is more relaxed and just as rammed with hotties.

BEST BAR

While the clubs and bars are suitably boozy, for daytime drinking, try the old beer cafés. Café Du Sluyswacht and In de Wildeman are great, especially if you fancy a shot of jenever – the local gin – with your beer.

10 RUDE QUESTIONS!

And a real girl to answer them!

Paige

19 Bristol

1 Where's the strangest place you've had sex?

"The strangest place I've had sex would have to be on a swing! Surprisingly, it worked quite well – we just had to hold each other tighter. It was more intimate, for sure!"

2 What's your trademark move in the bedroom?

"I love jumping on top, and have a habit of scratching and nibbling – not too hard of course! On the plus side, while I'm nibbling they get my boobs pressed against their chest."

3 What really turns you on?

"Being kissed on the back of the neck is my ultimate turn-on. A guy with tattoos and muscles wouldn't go amiss either!"

4 What's your favourite position?

"I have two. Doggy-style is great, but my main one would be cowgirl. I love to take control."

5 Is it better to give or receive?

"I love to see my man enjoy himself, as I always

deliver. But of course receiving is amazing!"

6 What one thing would you really like to try but haven't yet?

"If I wanted to try it that much, I would have done it by now, wouldn't I?"

7 Ever got it on with another girl?

"I'm straight but I have kissed another girl before. That's about as far as it goes though I'm afraid!"

8 What's your role-playing costume of choice?

"I once wore a bow for someone's birthday and they had to unwrap me. It was the best present they ever got! Still, nothing beats a sexy nurse's outfit."

9 Have you ever made a sex tape?

"Of course I've made a sex tape! Hasn't everyone?"

10 What's the rudest thing that you've ever done?

"The rudest? I don't think it can be printed! But I did once take someone in the toilets at a church during a wedding. I couldn't help it – I love a man in a suit!"

"I wore a bow for someone's birthday and they got to unwrap me!"

EXCLUSIVE!

Messi: 'I'll never leave Barca!'

Nuts chats with the world's greatest player ahead of his visit for the showdown with Celtic!

➔ **Hi Lionel! You're always so smiley on the pitch – what makes you tick?**

I'm having fun! All I ever wanted to do was play football for a living and it's what I'm doing. I have the same passion for the game now that I did when I was 12. If I ever stopped enjoying playing football, I think it would be time to retire.

Ronaldo looked gutted after not winning Uefa's Best Player In Europe award. Did you console him?

I think everybody likes to get personal awards, but Andres Iniesta has been in great form for his club and his country and it was fully deserved. He's a great friend and one of the best players in the world.

A lot of other players have very flash cars, yet you seem quite grounded. Are you? What do you drive?

I think it's just my dedication to football that makes me lead a quiet life. Even when I was a kid and friends wanted to go out, all I wanted to do was go to football practice, and the same is still true now. I do really like cars – but for training, I'll normally drive an Audi Q7 because it's practical.

What would you have been if you weren't a footballer?

Nothing else has ever been an option. My medical bills were very expensive and my dad worked so hard to pay them [Messi was diagnosed with growth hormone deficiency when he was 11], but then Barcelona offered to pay them and I've been here since I was 13. I've never thought about anything other than football.

Do you get recognised everywhere you go?

I do, a lot – I still find it humbling when I get a great reception so far from home. India last year was an example of this – the Indian people gave me a great reception. Football is not restricted by anything, it is connecting people all over the world and that's one of the great things about it.

What's the best thing a fan has ever done for you?

When we arrived in Calcutta, it was the middle of the night and we didn't really expect anybody to be waiting, but there were thousands of fans outside the airport. They were shouting my name and had Argentina and Barcelona shirts on. It was crazy!

How much pressure is there to beat Real Madrid whenever you play them?

Of course there's pressure – almost every year I've been here it has been Madrid we've been competing with for the title. Last year was their year, but we're all very determined to do all we can to bring the title back to Barcelona.

Would you ever go to Real? Or any other team?

My heart's in Barcelona, I think everybody knows that by now.

Who do you think is England's best player?

One English player I really like is Wayne Rooney. He's a nice guy who has said great things about me – it's always great when players of that class say good things about you. Also Kun Aguero is a great friend and a great player who's doing a fantastic job in England. His performance to win Manchester City the title was very special.

Which English club would you play for?

England is a league that I like with great teams and great players, but I have said before that if Barcelona wants me for my whole career then I'll stay here for my career. I owe everything to them, and it is a place that I never want to leave.

Have Manchester City ever tried to sign you?

Not that I'm aware of!

Is Mourinho a bad loser?

When you're at a club like Real Madrid, you're expected to win. It's the same at all top clubs, the owners and the fans have this expectation. When you're used to winning, it's what you expect, but it doesn't always happen.

What about Ronaldo?

I really like Ronaldo – in my experience he's a good person. Of course he won't like to lose, but nobody likes to lose. He's a special player who can change a game in a second.

Many people say you're better than Maradona. Do you agree?

There have been comparisons between me and Maradona – and while that makes me feel proud, I don't think you can compare any player with Maradona. He's the best player who has ever lived. Probably the best player there'll ever be.

Lionel never got the hang of piggybacks

GOAL-SCORING LEGEND!

Messi has been in Barcelona's first team since 2004, scoring 180 goals in 222 games.

"Lucy Pinder's

**Did the Spanish players at
Barcelona gloat when they
won Euro 2012?**

In a dressing room, there's always some fun that goes on between players of different nationalities before a major tournament, but I think if your country is not going to win it, you want your team-mates to do well. Of course it's a dream of mine to win the World Cup and hopefully we can try to do that in Brazil, but I'm pleased that my Spanish team-mates have had success.

**Thanks, Lionel! Finally, can we
have some hair styling tips?**

I don't really have any for you. I can do mine in about two minutes!

English teams can learn from Celtic

What the Scottish team can teach us about survival in Europe

➔ **IT WAS** a bad week for England in the Champions League but Celtic nearly came home covered in glory. The difference? Simple: tactics.

Neil Lennon took a side to Barcelona that many people, myself included, thought were going to get battered. But it just goes to show what you can achieve if you get your tactics right. They went to the Nou Camp to stop Barca playing. It was a courageous performance

from a team that, on paper, are at a Championship level, and it was heartbreaking that they lost to that last-gasp goal.

Celtic have learnt a lot about playing in Europe, but Man City haven't adapted to it yet. I was at the Ajax vs Man City game and Mancini said he blamed himself for the defeat. Well, he has every right to! Because when Man City took the game to the Dutch side, they were so much better. After they

scored, though, they sat back and Ajax started to hit them – and scored goals. To have all the big guns that City have and to not play them in an aggressive forward way, that's criminal. When Man City were 2-1 up against Real Madrid, Mancini could've bottled the game up, but didn't and ended up losing. This time, they scored one goal and tried to bottle it up from a long way out. Celtic got their tactics right, but City's were wrong.

The Players' Union needs to stay unified

THERE'S BEEN a bit of talk about the idea of black players forming their own breakaway union. Well, I have to say this – please don't let it happen! You can't let it happen. To me, that's racist in itself, the idea of a black union separated from a white union. Whoever first suggested something like that was being ridiculous. The reason we've created anti-racist organisations like Kick It Out is to underline that we're all united and there are no colour barriers. It isn't about a black union deciding that a white person has done something wrong. That seems like a terrible backward step to me.

The criticism that Kick It Out and Show Racism the Red Card have had for doing their jobs is unforgivable. These organisations don't need anger, they need help.

Slow start for Arsenal

TWO DEFEATS in a week have derailed Arsenal's solid start to the season. The home defeat to Schalke was a real shock. Maybe Arsene Wenger's time has come? He doesn't seem to have the same hunger for trophies he had when he first arrived.

"Are you going to stand like that all day?"
